

Who Are We

Dyno based in the bustling port city of Ningbo, China's Zhejiang province, has revolutionized the traditional industrial-trade model to create a new form that combines wholesale, OEM & POD, dropshipping, and logistics business models. We provide a one-stop-shop for business services and prioritize win-win partnerships to integrate our cooperative concepts into every aspect. We aim to help our clients get the maximum return on the minimum investment, provide various products options and flexible shipping method to the world, help them quickly establish their brand products.

What We Offer

Dropshipping Solutions

Our intelligent automated system works seamlessly with all major eCommerce platforms, managing the entire process from order receiving to final delivery. We take charge of product sourcing, packing, and shipping, leaving you free to concentrate on brand promotion and customer acquisition.

White Label Solutions

Stand out in a competitive marketplace. We offer fully customized packaging, brand logos, product tags, and promotional inserts to build your unique brand image.

China Sourcing Service

Our professional sourcing team leverages our wide network of qualified manufacturers to supply high-quality products at direct factory prices, delivering better value than most mainstream wholesale platforms.

Amazon FBA Support

With extensive expertise in Amazon FBA operations, we ensure all your shipments fully comply with Amazon's requirements. Our smart inventory system keeps your stock at an ideal level to maximize sales efficiency.

Crowdfunding Order Fulfillment

We help you deliver on your promises to supporters. We provide reliable, timely fulfillment services to ensure your crowdfunding backers receive their rewards promptly and smoothly.

Professional Product Photography

From basic product images to attractive promotional visuals, our in-house media team delivers high-quality photography that perfectly showcases your products' advantages.

Video Marketing Services

A compelling video greatly boosts purchasing desire and conversion rates. Let our professional marketing videos help you attract more customers and increase sales efficiently.
